

Team Involvement in Demonstration

Date	29 September 2026
Team ID	6ab3e6756603573ccfb3b891
Project Name	FitBuddy - AI Fitness Plan Generator Using Gemini Models
Maximum Marks	1 Mark

Team Involvement in Demonstration

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	JAIGANESH E	Project overview / Team Leader	Introduction & problem statement	Coordinates presentation and explains project objective.	Active
2	SIMSON	AI generation	Live workout generation	Explains Gemini integration and core generation flow.	Active
3	SAMSON TITUS LOURD.K	Backend + database	Architecture and stored plan flow	Explains FastAPI routes and SQLite/SQLAlchemy.	Active
4	ALIYA BEGUM S.N	Frontend + results	UI and feedback flow	Demonstrates user-facing pages and feedback loop.	Active
5	AYSHA SIDDIKA .S	Testing + documentation	Admin view, testing and future plan	Explains test coverage, executable files and roadmap.	Active

Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	JAIGANESH E
Overall Team Coordination Rating (1-5)	4 - documented for coordination purposes
Any issues during demo	External Gemini dependency and keeping the documentation synchronized with code.
How issues were resolved	Used modular development, shared checkpoints, demo mode, and a final package review.
